ABOUT KIDS TAG ART

Tax Collector Nancy Millan brought the Kids Tag Art Program to Hillsborough County in 2021. This program is a creative fundraiser that gives 5th-grade students at Hillsborough County elementary schools the opportunity to showcase their artistic abilities by designing a front vanity license plate in their art class. The art is then printed on metal plates, key chains, mugs, and more and sold to family, friends, and the public.

Proceeds from the plate sales and sponsorships are allocated to participating schools to help support their arts program.

SECOND ANNUAL AWARDS CEREMONY

This school year, we held our second annual Kids Tag Art awards ceremony! The event continues to grow, bringing together students, families, educators, and community members to celebrate the remarkable artistic talents of our 5th-grade participants. The ceremony has become a powerful moment of recognition for these young artists, providing them with a platform to be celebrated for their creativity and hard work. The pride and joy visible on the students' faces as they receive recognition for their artwork creates an unforgettable experience that inspires not only the winners but all attendees. This celebration of student creativity has quickly become a wonderful tradition that reinforces the importance of arts education in our schools.

2024-2025 PROGRAM YEAR RESULTS!

We are thrilled to announce that the 2024-2025 Kids Tag Art Program has raised \$38,518! This outstanding achievement reflects the incredible support from our community and will provide vital funding to support art programs across our participating schools.

This year marked a significant milestone with a record-breaking 65 schools participating in the program, showcasing the growing enthusiasm for arts education throughout Hillsborough County.

None of this would have been possible without the generosity of our amazing sponsors:

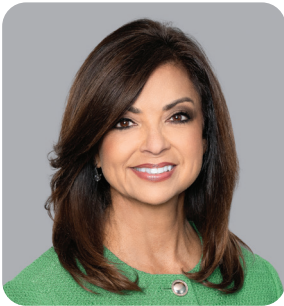

Derrick Brooks Charities  
Florida West Coast Credit Union  
Tampa Electric Company

Tampa Bay Lightning  
The Florida Aquarium  
Glazer Children's Museum

We extend our heartfelt gratitude to our partners at Hillsborough Education Foundation and Hillsborough County Public Schools for their commitment to making this program a success each year!
